(3) Read Government Proceedings No. R. 2255-8, dated 19th November 1902, enquiring whether the District Fund Board is willing to pay one-half of the cost of maintaining Jogimatti road, the other half being debited to Forest Department.

Resolved that half the cost of maintaining the road be met from District Funds.

(4) Read Executive Engineer's docket No. 1080, dated 1st December last, forwarding for approval an estimate for Rs. 2,582 for improving the bund of Anaji tank, Davangere Taluk, over which passes the Anaji-Jagalur road.

Resolved that only items (*a*) and (*d*) be provided for from District Funds, as the other items, *viz.*, (*b*) and (*c*), form a legitimate charge on Irrigation Funds.

(5) Read Executive Engineer's No. 49, dated 14th January 1903, requesting to be furnished with the opinion of the District Fund Board in regard to the line adopted for Chitaldrug-Naikanhatti road.

Resolved that the road past Turuvanur be preferred to the one tapping Hayakal.

(6) Read Executive Engineer's docket No. 992, dated 4th November 1902, requesting to be informed as to whether the cost of turfing the rear slope of Sultanipur tank bund, over which the Kodaganur road passes, cannot be borne by the District Fund Board.

The Board observe that the turfing work is not a proper charge on District Funds, as the same has to be done at the cost of the raiyats concerned.

(7) Read Chief Engineer's No. 236, dated 21st January 1903, intimating that the proposals of converting the present travellers' bungalow at Hosdurga into a dispensary and of constructing a new travellers' bungalow in its place, must lie over for the present, as funds are not likely to be available at any rate next year.

Recorded.

(8) Read Executive Engineer's memo accompanying docket No. 148, dated 16th instant, intimating that an estimate for Rs. 55,000 for opening a new road between Chitaldrug and Naikanhatti, is under preparation in his office and requesting that a provision of Rs. 10,000 be made in the next year's budget for this work pending sanction to the estimate.

Resolved that the work be held over for the present, as funds are more urgently required for the improvement of some of the existing roads.

(9) Read again memo from the Executive Engineer, Chitaldrug Division, requesting that the present mileage allotments of Bharmagiri-Hosdurga and Biderkere Railway feeder roads *viz.*, Rs. 50 and 40 respectively be raised to Rs. 100 each as the present allotments are quite insufficient to keep the road in proper order.

Resolved that as the bulk of the traffic passing along the above roads is in connection with the Marikanave works and the deteriorated condition of the roads is due to the same cause, a proposal be submitted to Government suggesting that the increased allotment of Rs. 50 and 60 respectively be met from Provincial Funds.

(10) Read Executive Engineer's memo proposing that as the road from Bharmagiri to Hosdurga is to be specially dealt with for the reasons already stated, a provision of Rs. 2,000 be made in the next year's budget for this purpose.

Resolved that a proposal be submitted to Government to meet this charge from Provincial Funds for the reasons given in Resolution No. 9 above.

(11) Read Executive Engineer's memo stating that a compound wall has been urged by successive medical officers to be necessary to the Female Dispensary at Chitaldrug, and requesting that a provision of Rs. 400 be made in the next year's budget as the District Fund quota.

Resolved that the provision asked for be made in the next year's District Fund Budget.

(12) Read memo from the Executive Engineer, submitting for the reconsideration of the Board, the question of taking over charge of the Inspection Lodge at Chitaldrug by the Revenue Department, as the matter has been referred to him by the Chief Engineer for report.

Resolved that the Resolution already adopted be adhered to.

H. RAMANUJIENGAR, *President.*

KOLAR GOLD FIELDS.

Notice dated 14th March 1903.

Notice is hereby given that the marginally noted properties belonging to one Yerramuniga who died in the Civil Hospital, Kolar Gold Fields, on the 10th January 1903, will be sold and the proceeds credited to Government, if not claimed within six months from this date.
